

RECAP: CONCUSSION IN SPORT

A National Conversation

UPMC
LIFE CHANGING MEDICINE

Concussion Conference Recap

In September, UPMC and UCD co-hosted almost 300 GPs and healthcare professionals, virtually and in person for a concussion conference. The event consisted of interactive presentations and discussions from the world-renowned experts of UPMC's Concussion Network along with representatives of the GAA and IRFU.

Login to Medcafe to view a video archive of the full conference and earn CPD points.
