

European curriculum vitae

**EUROPEAN
CURRICULUM VITAE
FORMAT**

PERSONAL INFORMATION

Name	RANUCCI GIUSY, PEDIATRICIAN, PHD
Address	
Telephone	
C.F.	
E-mail	
Nationality	Italian

WORK EXPERIENCE

- Dates (from – to)
- Name and address of institution
 - Sector
- Occupation or position held
- Main activities and responsibilities

November 2022-January 2025
IRCCS, UPMC-ISMETT Palermo, Italy
Division of Pediatrics
Chief of Pediatric Liver Unit
Management of Pediatric Liver and Transplant Unit

- Dates (from – to)
- Name and address of institution
 - Sector
- Occupation or position held
- Main activities and responsibilities

From November 2018-November 2022
Santobono Children's Hospital, Naples, Italy
Division of Pediatrics
Medical Director in Pediatrics, Specialist in Hepatology
Clinical activities in Complex Pediatrics Unit, Clinical activities in liver disease in children

- Dates (from – to)
- Name and address of institution
 - Sector
- Occupation or position held
- Main activities and responsibilities

October 2016 - October 2018
Bambino Gesù Children's Hospital, Rome, Italy
Division of Metabolism Prof. Dionisi Vici Carlo)
Clinical Fellowship
Clinical and researches activities in liver transplant in inborn error of metabolism

- Dates (from – to)
- Name and address of institution
 - Sector
- Occupation or position held
- Main activities and responsibilities

2006 – 2017
Department of Pediatrics, University of Naples Federico II, Naples, Italy
Division of Pediatric Hepatology (Prof Raffaele Iorio)
Resident, PhD
Research in liver disease in children

- Dates (from – to)
- Name and address of institution
 - Sector
- Occupation or position held
- Main activities and responsibilities

June 2017 - October 2017
San Giuseppe Moscati Hospital, Aversa, Italy
Pediatric and Emergency Unit (Dott. Domenico Perri)
Associate Medical Director in Pediatrics
Clinical activities in pediatrics

EDUCATION AND TRAINING

- Dates (from – to)
- Name and type of organisation providing education and training
- Principal subjects/occupational skills covered
- Title of qualification awarded

November 2021-2023
University of Salerno, Italy
Expert in Liver Disease in Children
Expert in Liver Disease in Children

- Dates (from – to)
- Name and type of organisation providing education and training
- Principal subjects/occupational skills covered
- Title of qualification awarded

October 2015 - October 2018
University of Naples Federico II, Naples, Italy and Bambino Gesù Children Hosp
PhD program (Clinical and Experimental Medicine) -
PhD - Doctor in Medical and Translational Science (Liver Disease in Children)

- Dates (from – to)
- Name and type of organisation providing education and training

October 2017 - October 2018
Division of Metabolism, Bambino Gesù Children's Hospital, Rome (Prof Carlo Dionisi Vici)

- Dates (from – to)
- Name and type of organisation providing education and training
- Principal subjects/occupational skills covered
 - Title of qualification awarded
 - Level in national classification (if appropriate)

September 2003 – July 2009

Faculty of Medicine, University of Naples Federico II, Naples, Italy

Degree course in Medicine and Surgery

Graduation as Medical Doctor (M.D.)

Final examination mark: 110/110 cum laude, mention and dignity of print; final thesis title: "Rivalutazione dei criteri diagnostici e gestione farmacologica della Malattia di Wilson in eta' pediatrica: risultati di uno studio retrospettivo"

PERSONAL SKILLS AND COMPETENCES

Acquired in the course of life and career but not necessarily covered by formal certificates and diplomas.

MOTHER TONGUE

ITALIAN

OTHER LANGUAGES

ENGLISH

EXCELLENT

EXCELLENT

EXCELLENT

- Reading skills
- Writing skills
- Verbal skills

SOCIAL SKILLS AND COMPETENCE

- Participated in the volunteering organization "pianoterra onlus" (funded in the 2009) in naples

- PARTECIPATED IN THE VOLUNTEERING ORGANIZATION "AFRICAINTESTA ONLUS" IN NAPLES

ORGANISATIONAL SKILLS AND COMPETENCES

Coordination and administration of people, projects and budgets; at work, in voluntary work (for example culture and sports) and at home, etc.

- MEMBER OF ETHICAL COMMITTEE IRCCS-ISMETT UPMC PALERO

- COORDINATOR OF ERNTRANSPLANTCHILD, ISMETT, PALERMO (FULL MEMBER SINCE 2017)

- COPI OF PRNN PNRR-MR1-2023-12378119 "RE-DESIGNING BILIARY ATRESIA CARE PATHWAYS IN ITALY: A MULTICENTRIC NATIONAL CO-OPERATIVE MODEL" (COORDINATOR)

- COPI OF EU HORIZON PROJECT "A PRIVACY-PROTECTING EUROPEAN PLATFORM FOR CHILD TRANSPLANTS HEALTH-RELATED AND GENOMIC DATA INTEGRATION IN EUROPEAN REFERENCE NETWORK N. 101137423 2023-2026

- Director of SIGENP Journal from 2022

- Coordinator of hepatology area of Sigenp (Societa' italiana di gastroenterologia, epatologia e nutrizione pediatrica) from 2017 to 2019.

- Coordinator of Italian SIGENP Network for the study of Biliary Atresia from 2017-today

- Principal Investigator of Italian Iper-ALT SIGENP multicenter study from 2021

- Coordinator of scientific group for Italian SIGENP guideline for infantile cholestasis from 2017-today

- Coordinator of young SIGENP group 2018-2019

- Member of directive council of SIRP (Societa' Italiana di Ricerca Pediatrica) from 2015 to January 2018. <http://www.sirped.it/>

- Member of web committee of SIRP from 2012 to 2016.

- Member of clinical trial committee of SIRP from 2012 to 2016

- Scientific committee of "Prospettive in pediatria" journal from 2016-today. www.sip.it/prospettive-in-pediatria/

- Responsible of research heading of "il Pediatra" Journal. <https://www.ilpediatranews.it/>

- Full Member of ESPGHAN (European Society of Pediatric Gastroenterology, Hepatology and Nutrition)

PUBLICATIONS

from 2012. Membership N. 858. <http://www.espgan.org/>

- Member of european network of excellence for pediatric clinical research (Teddy Network) form 2014.

<https://www.teddynetwork.net/>

- Member of SIP (Società Italiana di Pediatria). <https://www.sip.it/>

- Scientific comminttee member of “associazione nazionale malattia di wilson” (funded in the 2010) in Manduria (TA). <https://www.malattiadwilson.org/it/> - Reviewer for: Journal of Pediatric Gastroenterology and Nutrition, Journal of Pediatrics, Pediatrics, Italian Journal of Pediatrics, Scientific Nature Reports.

- Participated in the eurowilson project (funded through the eu framework programme 6 2006-2008), as coworker of prof Angela Vegnente, scientific country coordinator. Aimed to build a european database about epidemiology, quality, and current choice of treatments in wilson disease.

- Supervisor of 8 medical degree thesis

H-index: 17
