Curriculum Vitae Europass

Personal information

Surname / First name	**Zampogna Alessandro**
ORCID	0000-0002-0227-1993

Title	**MD, PhD, Neurologist, Medical Researcher**
Occupational field	**Experimental and Clinical Neuroscience, Neurodegenerative Diseases, Movement Disorders, Wearable Technologies**

Work Experience (Clinical and Research Activity)

Dates Position held	01/09/2024 – 30/09/2024 Visiting fellow, Department of Neurobiology, Care Sciences and Society, Karolinska Institutet, Stockholm, Sweden (supervisor: Prof. Vesna Jelic - vesna.jelic@ki.se) and Department of Clinical Neuroscience, Karolinska University Hospital (supervisor: Dr Anders Johansson (anders.johansson@ki.se).
Dates Position held	Mar 2024 – Present Medical Researcher at IRCCS Neuromed Institute, Pozzilli (IS), Italy.
Dates Position held	Jul 2022 – Present "Site sub-investigator" (Phase III clinical trials for Alzheimer's disease, including: Embark 221AD304, Sponsor: Biogen; BAN2401-G00-301, Sponsor: Eisai; Alector AL002-2, Sponsor: Alector; Post-Graduate WN42171, Sponsor: F. Hoffmann La Roche; Envision 221AD305, Sponsor: Biogen; CELIA, Sponsor: Biogen; Alector-AL002-LTE, Sponsor: Alector; Gabriella, Sponsor: Roche; PRImus-AD, Sponsor: PRInnovation GmbH; AR1001-ADP3-US01, Sponsor: AriBio USA, INC; COGNIKET-MCI, Sponsor: Nestlé Health Science). Center for Cognitive Impairment and Dementia, Department of Human Neurosciences, Policlinico Umberto I, Rome, Italy. PI: Prof. Giuseppe Bruno.
Dates Position held	Jan 2022 – Present Freelance neurology consultant, Rome, Italy.
Dates Position held	05/2021-07/2021 Clinical and Research fellow, Movement Disorders Unit, Centre Hospitalier Universitaire Grenoble Alpes, Grenoble, France. Supervisor: Prof. Elena Moro (emoro@chu-grenoble.fr).
Dates Position held	2020 – 2021

	"Site sub-investigator" at Phase 3 Multicenter Study of TD-9855 in Treating Symptomatic Neurogenic Orthostatic Hypotension in Subjects with Primary Autonomic Failure - Theravance Biopharma. PI: Prof. Giovanni Fabbrini.
Dates Position held	2019 – 2021 Resident doctors' affairs representative, Department of Human Neurosciences, Sapienza University of Rome, Italy.
Dates Position held	29/12/2017 – 29/12/2021 Residency in Neurology, Department of Human Neurosciences, Sapienza University of Rome, Italy.
Dates Position held	Jun 2017 – Dec 2017 Primary care physician (i.e., locum doctor) at Vibo Valentia local health district, Italy.

Education

Dates Title of qualification awarded	27/01/2025 PhD in Clinical and Experimental Neurosciences and Psychiatry, Department of Human Neurosciences, Sapienza University of Rome, Italy. Title of Dissertation: "Advanced Technologies for Axial Impairment in Parkinson's Disease: from Early Detection to Outcome Prediction". Final mark: Excellent with honors. Supervisor: Prof. Antonio Suppa.
Dates	17-18 November 2023 8th Advanced Parkinson's Disease (APD) Summit. Prague (PRG), Czech Republic.
Dates	18-21 November 2022 10th Advanced Course On Diagnosis and Treatment of Movement Disorders (Faculty: Prof A. Espay, Prof. A. Fasano, Prof. F. Morgante), Naples (Na), Italy.
Dates	02-08 April 2022 "XX Basic Course in EMG and Evoked Potentials", Italian Society of Clinical Neurophysiology, Sorrento (NA), Italy.
Dates	03-04 March 2022 "Course on directional systems programming", Boston Scientific, Milan, Italy.
Dates Position held Principal subjects/occupational skills covered	Nov 2021 – Jan 2025 PhD fellow in Clinical and Experimental Neurosciences and Psychiatry, Department of Human Neurosciences, Sapienza University of Rome, Italy. Supervisor: Prof. Antonio Suppa. Clinical and instrumental assessment of axial motor symptoms in Parkinson's disease using advanced technologies and computational methods.
Dates	30-31/10/2021 "Advanced Applied Statistics and Research Methodology for Medical and Social Sciences". Neocortex ETS, Rome, Italy.
Dates	17-18/09/2021 and 08-09/10/2021 "High School of Movement Disorders", Academy for the study of Parkinson's disease and movement disorders (LIMPE-DISMOV), Salerno and Turin, Italy.
Dates	06/2021 "Applied Statistics and Research Methodology for Medical and Social Sciences" course, Neocortex ETS, Rome, Italy.
Dates	11/2020 MDS-ES Virtual School for Young Neurologists. International Parkinson and Movement Disorder Society (MDS).

Dates	07-08/2020 "Virtual Aspen Course in Movement Disorders, A Comprehensive Review of Movement Disorders for the Clinical Practitioner". International Parkinson and Movement Disorder Society (MDS).
Dates Position held	29/12/2017 – 11/01/2022 Residency and Specialization in Neurology, Department of Human Neurosciences, Sapienza University of Rome, Italy. Title of Dissertation: "Axial Impairment in Parkinson's Disease: Multimodal Assessment of Gait and Balance". Final mark: 70/70 cum laude. Supervisor: Prof. Alfredo Berardelli. Co-Supervisor: Prof. Antonio Suppa.
Dates Title of qualification	03/2017 Professional Qualification as Medical Doctor (OMCEOVV 1488).
Dates Title of qualification	2010 - 2016 Master Degree in Medicine and Surgery (summa cum laude), Faculty of Medicine and Surgery, Sapienza University of Rome, Italy. Title of Dissertation: "Kinematic study of Freezing of Gait in Parkinson's Disease by means of Magnetic-Inertial Sensors". Supervisor: Prof. Alfredo Berardelli; Co-Supervisor: Prof. Antonio Suppa.
Dates Title of qualification	2014 – 2016 "Excellence Path" student, Sapienza University of Rome, Italy (i.e. an extracurricular academic programme for worthy students to be involved in research activities).
Dates Title of qualification	2005 - 2010 Upper secondary education diploma (specialization: Classical Lyceum; final mark 100/100), Liceo Classico M. Morelli, Vibo Valentia, Italy.

Personal skills and competencies

Grants, Awards and Honours

Dates	13/03/2025 – present Associate Editor of JMIR Neurotechnology, Open Access Journal from JMIR Publications (ISSN: 1438-8871).
Dates	30/10/2024 Lecturer at the residential event "Parkinson's Disease: Experience in a Specialist Clinic" on the topic "Advanced Stage Therapy". Department of Human Neurosciences, Sapienza University of Rome, Italy
Dates	01/2025 - present Review Editor of *Therapeutic Advances in Neurological Disorders*, Open Access Journal from SAGE Publishing (ISSN: 1756-2864).
Dates	09/2024 - present Review Editor of Frontiers in Human Neuroscience - Motor Neuroscience, Open Access Journal from Frontiers (ISSN: 1662-5161).

Dates	04/2024 Recipient of the ERASMUS+ "Short Mobility" Study Scholarship for the Academic Year 2024-2025.
Dates	02/2024 Winner of the "Youth and Research Project" award (participation grant), 10th national congress of the Academy for the study of Parkinson's disease and movement disorders (LIMPE-DISMOV). Title of the research: "Disentangling Bradykinesia and Rigidity in Parkinson's disease: Long-term Evidence from STN-DBS".
Dates	11/2023 Winner of the "Sapienza Ricerca - Bando Ateneo 2023" grant, Sapienza University of Rome, Italy. Title of the research: "Impact of L-Dopa/Carbidopa intestinal gel and deep brain stimulation on motor disorders in Parkinson's disease: study of body topography through a network of wearable sensors".
Dates	05/2023 Winner of the "young authors award", 67th national congress of the Italian Society of Clinical Neurophysiology (SINC) for the best oral communication. Title of the research: "Muscle synergies during gait in Parkinson's disease".
Dates	03/2023 Winner of the "Youth and Research Project" award (participation grant), 9th national congress of the Academy for the study of Parkinson's disease and movement disorders (LIMPE-DISMOV). Title of the research: "Muscle synergies during gait in Parkinson's disease".
Dates	10/2022 Winner of the "Sapienza Ricerca - Bando Ateneo 2022" grant, Sapienza University of Rome, Italy. Title of the research: "Boosting Telemedicine in Parkinson's disease: the innovative contribution of Wearable Sensors and Artificial Intelligence".
Dates	10/2022 Winner of the "Sapienza Ricerca - Bando Ateneo 2022" grant, Sapienza University of Rome, Italy. Title of the research: "Long-term monitoring of motor fluctuations in Parkinson's disease: an innovative approach with wearable sensors".
Dates	07/2022 Winner of the "Youth and Research Project" award (participation grant), 8th national congress of the Academy for the study of Parkinson's disease and movement disorders (LIMPE-DISMOV). Title of the research: "Axial impairment and falls in Parkinson's disease: 15 years of subthalamic deep brain stimulation".
Dates	10/2021 Scholarship winner for the XXXVII PhD cycle in "Clinical and Experimental Neurosciences and Psychiatry", Sapienza University of Rome, Italy.
Dates	09/2021 Winner of the "Youth and Research Project" award (participation grant), 7th National Congress of the Academy for the study of Parkinson's disease and movement disorders (LIMPE-DISMOV). Title of the research: "Spinal excitability and plasticity in hereditary spastic paraparesis: a neurophysiological study".
Dates	09/2021 Winner of the "young authors award", 65th national congress of the Italian Society of Clinical Neurophysiology (SINC). Title of the research: "Spinal excitability and plasticity in hereditary spastic paraparesis: a neurophysiological study".
Dates	08/2021 – Present Reviewer Board Member of *Journal of Clinical Medicine*, Open Access Journals from MDPI (ISSN: 2077-0383).
Dates	12/2020

	Winner of the "Clinical Fellowship Programme 2021" grant, European Academy of Neurology (EAN), Vienna, Austria.
Dates	10/2020 Winner of the "Sapienza Ricerca - Bando Ateneo 2020" grant, Sapienza University of Rome, Italy. Title of the research: "The pathophysiology of freezing of gait in Parkinson's disease: an innovative study with wearable sensors and the analysis of muscle synergies".
Dates	2020 – Present Resident and Research Member of the European Academy of Neurology (EAN).
Dates	2020 – Present Reviewer Board Member of *Sensors* and *Applied Sciences*, Open Access Journals from MDPI (ISSN 1424-8220 and 2076-3417, respectively).
Dates	2020 – Present Member of the Italian Academy for the Study of Parkinson's Disease and Movement Disorders (LIMPE-DISMOV).
Dates	10/2019 Winner of the "Sapienza Ricerca - Bando Ateneo 2019" grant, Sapienza University of Rome, Italy. Title of the research: "Reactive postural strategies in patients with Parkinson's Disease: a dynamic posturography with wearable sensors".
Dates	07/2019 Winner of the "youth project" grant from the Italian Neurology Society, 50th national congress, Bologna, 12-15th Oct 2019.
Dates	06/2019 Winner of the "young authors award", 64th national congress of the Italian Society of Clinical Neurophysiology (SINC) for the best Poster in the Movement Disorders Session. Title of the research: "Balance assessment by means of wearable sensors in Parkinson's disease".
Dates	2019 – Present Member of the Italian Society of Clinical Neurophysiology (SINC).
Dates	2018 – Present Member of the Italian Society of Neurology (SIN).
Dates	05/2017 "Excellent graduate", Sapienza University of Rome, Italy (i.e., one of the most meritorious student of Sapienza University of Rome in the academic year 2015/2016).
